

## GB TECH AWARDED NEW GSA SCHEDULE CONTRACT

**June 21, 2010** – GB Tech, Inc, a leader in information technology and technical solutions, today announced that the U.S. General Services Administration's (GSA) Federal Acquisition Service (FAS) awarded GB Tech a Multiple Award Schedule (MAS) contract under Schedule 70, which addresses General Purpose Information Technology Equipment, Software, and Services. GB Tech's GSA Schedule contract number is **GS-35F-0497W**

With this new GSA schedule, government customers will have direct access to GB Tech's IT personnel and capabilities, including programming, network management, system administration, technician services, help desk support, and IT training.

“GB Tech's presence on the GSA schedule will allow more government agencies to take advantage of our services to enhance the performance of their IT systems and capabilities,” said GB Tech CEO Gale Burkett. “GB Tech has a long history of providing federal agencies with the highest quality IT solutions tailored for their missions.”
